Limited Warranty

If you are the original end user (“Buyer” or “you”) installing or using a Device, whether purchased from Galeo or through an authorized Galeo dealer, you are asked to read the following terms and conditions carefully before opening this Device’s packaging. By opening or unboxing the Device, you consent to be bound by and become a party to this Limited Warranty. If you do not agree to the terms and conditions of this Limited Warranty, you should return the Device for a full refund prior to opening or unboxing the Device.

This Limited Warranty gives you specific legal rights, and you may also have other rights which vary from state to state. To the extent necessary to comply with those laws, the terms of this Limited Warranty should be read to adjust to those requirements only to the extent necessary to comply with such local law.

1. Limited Warranty. Galeo warrants to Buyer that the Device will comply with its published specifications and be free from defects in materials and workmanship under normal use and service for the time period as indicated in the chart below (the “Warranty Period”) measured from the Device purchase date from Galeo or an authorized Galeo dealer:

Product Type	Warranty Period
Galeo Device	1 year

This Limited Warranty is void if (a) the Device is not installed and maintained properly per any installation or maintenance instructions that accompanied the purchase; (b) any part not supplied by Galeo is used in assembly or repair of the Device, or (c) if the Device has been altered. This Limited Warranty does not apply to the extent damage to the Device is caused by fire, flood, wind, rain, rising water, leakage or breakage of plumbing or any other cause beyond the reasonable control of Galeo.

2. Claim Procedure; Remedies. Galeo must receive a claim from Buyer under this Limited Warranty in writing at support@thegaleogroup.com or by mail at the address below no later than thirty (30) days after the end of the Warranty Period or the claim is waived.

- Provide the Device's serial number and reasonable proof of purchase (for example, a sales receipt) that establishes you as the Buyer (the original end-user consumer purchaser) and the date of purchase.
- Galeo will provide you with an RMA number and shipping information for the return of your unit. You must obtain an RMA number from Galeo Support before sending a return—Device sent to Galeo without an RMA number will not be accepted and will be held for pick up or returned to you at your risk and expense.
- Upon receipt of the returned Device, Galeo will inspect it and make a determination as to validity of the warranty claim.
- If upon examination it is determined that the Device is operating within factory recommended specifications, you will be notified and may request that the Device be returned to you. You will be asked to pay a reasonable service charge and also for shipping expenses to and from Galeo.
- If it is determined upon examination that the Device is not operating within factory recommended specifications, but that the source of the failure was outside of the scope of this Limited Warranty, you will be notified of the estimated cost for repair of the Device to factory specifications. At this time you may request that the Device be returned to you without further action, or that Galeo repair the Device as per the provided estimate and return the Device to you. In this case you will be billed for the repairs and for shipping expenses to and from Galeo. Galeo will make three (3) attempts to contact you by phone or email for payment within ninety (90) days after the work is completed. If no response is given, Galeo reserves the right to consider the Device abandoned and can take ownership of the Device.
- If it is determined that the returned Device falls within the scope of this Limited Warranty, Galeo will repair or replace the Device at its discretion. Replacement Device may be new or factory refurbished at Galeo's discretion, and shall carry the warranty of the original Device. Following repair or replacement, Device shall be shipped to the same location in the same manner as was the returned Device. Galeo shall pay all associated shipping expenses. **SUCH REPAIR, REPLACEMENT OR REFUND IS THE SOLE REMEDY AND OBLIGATION OF GALEO.**

3. LIMITATION OF LIABILITY. THE LIMITED WARRANTY AND REMEDIES SET FORTH HEREIN ARE THE EXCLUSIVE AND SOLE WARRANTY AND REMEDIES PROVIDED BY GALEO. NOTWITHSTANDING ANYTHING TO THE CONTRARY, IN NO EVENT SHALL GALEO BE LIABLE FOR ANY SPECIAL, INCIDENTAL, CONSEQUENTIAL, PUNITIVE, INDIRECT OR EXEMPLARY DAMAGES OF ANY KIND, WHETHER ARISING OUT OF WARRANTY (INCLUDING ANY IMPLIED WARRANTIES) OR BASED UPON BREACH OF WARRANTY, BREACH CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY OR OTHERWISE, WHETHER OR NOT GALEO WAS ADVISED OF THE POSSIBILITY OF SUCH LOSS OR DAMAGES.

- In any event, Galeo shall not be liable for any downtime, loss of revenue, loss of or damage to data, records, or software or the restoration of data or records, or the reinstallation of software, costs of de-installation of the Device or re-installation of replacement Device, or other issues arising from the Device.
- Any efforts by Galeo beyond the obligations provided for in this Limited Warranty will not in any way enlarge, extend or otherwise change the Limited Warranty, remedies or limitations stated in this Limited Warranty. **IN NO EVENT WILL GALEO'S AGGREGATE LIABILITY ARISING OUT OF OR RELATED TO THE DEVICE SOLD TO BUYER EXCEED THE TOTAL PURCHASE PRICE PAID BY BUYER FOR THE DEVICE GIVING RISE TO THE CLAIM.** The parties agree that the limitation of remedies is an agreed upon allocation of risk and does not cause the remedy to fail of its essential purpose.
- Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

4. No Dealer Warranty. This is the exclusive warranty applicable to the Device. No dealer has any authority to make any other warranty, modify, limit, or expand the terms of this Limited Warranty in any fashion, or to make representations or promises on behalf of Galeo.

5. Disclaimers. TO THE EXTENT PERMITTED BY LAW, ALL EXPRESS AND IMPLIED WARRANTIES OTHER THAN THE EXPRESS LIMITED WARRANTY SET FORTH ABOVE ARE EXPRESSLY DISCLAIMED. ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, DESIGN AND NON-INFRINGEMENT, WHETHER ARISING BY LAW, COURSE OF DEALING, COURSE OF PERFORMANCE, USAGE OF TRADE OR OTHERWISE ARE EXPRESSLY DISCLAIMED. In the event an implied warranty is determined to exist, the duration of the implied warranty shall expire upon the expiration of the Warranty Period. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

6. Danger! *Do not use the Device for medical or life support equipment or other high-risk activities!* Galeo does not sell Devices for use in high-risk activities. The Device is not designed or intended for use in hazardous environments requiring fail-safe performance or for use in any circumstance in which the failure of the Device could lead directly to death, personal injury, or severe physical or property damage, or that would affect operation or safety of any medical or life support device (collectively "High-Risk Activities"). Galeo expressly disclaims any express or implied warranty of fitness for High-Risk Activities. Galeo does not authorize use of any of the Devices in any High-Risk Activities.
