

Galeo Pro

Galeo Pro is a trailer-mounted theft prevention and recovery device with a companion mobile application (iOS or Android). Galeo Pro can alert you when it senses motion, and its LTE and GPS module enables you to remotely track your trailer from your phone. Galeo Pro comes with a built-in SIM already installed.

Why Galeo Pro

❶ RUGGED

With an IP69K rating, Galeo Pro was purpose built to withstand snow, dust, rain, and even pressure washing. It's the industry's most waterproof device, with the most extreme temperature range (-40° to 185° F)

❷ LOW COST CELLULAR DATA

Galeo's cellular data plans are: \$1.99 monthly, \$19.99 annually, or \$49.99 for 3 years.

❸ LONG BATTERY LIFE

Galeo Pro's battery operates in the most extreme temperatures and can last 3-5 years.

❹ MADE IN THE USA

Galeo Pro is designed, manufactured, and supported in the USA.

»» DOWNLOAD

Download the Galeo app to your phone (iOS or Android).

»» ACTIVATE

Activate your cellular connection in-app. No SIM card required.

»» INSTALL

Attach Galeo Pro to your trailer.

»» CONFIGURE

Choose settings such as Alert on Motion.

It's your trailer.
Keep it that way.

MOTION SENSING

Galeo Pro's built-in accelerometer sends an alert to your phone the moment it senses motion or vibration.

GPS & VERIZON LTE

Galeo Pro's cellular-enabled GPS enables you to track down your trailer from any distance.

LONG BATTERY LIFE

Galeo Pro's battery operates in the most extreme temperatures and can last 3-5 years.
